

Minimum Advertised Price and Sales Channel Policy

BrandStorm HBC – Unique Product Source’s Minimum Advertised Price and Sales Channel Policy (“MAPP”) applies to all our authorized Distributors and Resellers. The MAPP is designed to protect our brand and preserve healthy relationships with our distributors. Please understand that this policy is vital to our success and will therefore be strictly enforced.

Introduction

By supplying and/or using Brandstorm HBC products, you are contributing to our mission of a Natural Way to Better Health. We are all united by a passion for natural health, which is why we are thrilled to introduce innovative processes, systems, and products that define the truth of what we are.

We recognize that our success is tied to the success of our network of retailers who invest significant time and resources to deliver an extraordinary customer experience. We want to protect their ability to do so, while at the same time discouraging price-based advertising that would be harmful to our retailer’s service and support efforts. As a result, Brandstorm HBC has unilaterally established this MAPP.

Minimum Advertised Price

Brandstorm HBC, in its sole discretion, reserves the right to discontinue doing business with any reseller or distributor that advertises any product covered by this MAPP at a price lower than set forth in MAPP.

This MAPP applies to all products sold by us to Distributors and Resellers. This policy applies only to advertised prices and is not intended to affect or influence and in no way limits the price at which our products are actually sold by Distributors or Resellers. The MAPP does not apply to our authorized promotions and incentives which are agreed to in writing.

The Minimum Advertised Price for our current products, are attached hereto as Exhibit A. As we introduce additional products to the market place, we will update this MAPP. This MAPP is unilateral and does not constitute an agreement between us and any Distributor or Reseller. This MAPP is subject to change at our discretion, and any changes will be communicated to Distributors and Resellers. It is the responsibility of all Distributors and Resellers to comply with the MAPP.

The MAPP applies to all forms of advertising and promotion in any media, including, but not limited to, flyers, posters, coupons, newspapers, magazines, inserts, direct mail, catalogs,

television, radio, billboards, store displays, the internet and other similar electronic media (including email newsletters, email solicitations, reseller or third party websites and features, web auctions and mass emails). Prices shown in the shopping cart on a reseller's website are considered "advertising" until the consumer commits to proceed with a purchase.

The following actions are prohibited:

- Advertising any of our products set forth on Exhibit A hereto below the MAP price forth above; and
- Advertising any Brandstorm HBC product set forth on Exhibit A hereto with any discount, incentive, coupon, rebate or allowance that effectively advertises a price below the MAP price forth above without our prior consent; and
- If any Brandstorm HBC's product set forth on Exhibit A hereto is bundled with, or sold as part of a package that includes, other product(s) (whether or not manufactured by Brandstorm HBC), including where such other products are provided as a gift or premium with purchase, advertising such Brandstorm HBC product at a price below MAP price forth above for such Brandstorm HBC product and the manufacturer's suggested retail price(s) or minimum advertised price(s) for such other products.

If any Distributor or Reseller engages in one or more of the above prohibited actions, then we may take one or more of the following actions, in our sole discretion, to the full extent permitted by law:

- Notify such Distributor or Reseller that one of the above scenarios has occurred, and request that the practice immediately cease; and
- Restrict the availability of any or all Brandstorm HBC products to such Distributor or Reseller for a period of time to be determined by Brandstorm HBC.

In addition to the above actions, we may take any other steps that we deem appropriate or necessary, up to and including Distributor or Reseller no longer being authorized to sell any of our products.

Sales Channel Policy

Distributors and Resellers are not permitted to sell our products on the electronic or "ecommerce" open marketplace platform "Fulfilled by Amazon" below MAP, without our prior written consent.

This policy will be enforced by Brandstorm HBC in its sole discretion. Our failure to enforce this policy in some cases shall not waive our right to do so for other violations. No agreement or consent to any terms or conditions of this policy is required separate from the distribution or resale of Brandstorm HBC products. Distributors and Resellers shall, at our request, enforce the terms of this policy against any reseller to which it sells.

No complaint from any Distributor or Reseller will be sought or considered with respect to the advertising or pricing of any Brandstorm HBC product by another reseller.

Questions regarding the application, interpretation or enforcement of this policy should be directed to Brandstorm HBC, 7535 Woodman Place, Van Nuys CA 91405, attention: CEO
